**RE: Application No. 10/591,107**

Dear Examiner Bednash:

I am the representative of the applicant of the subject patent application. In reviewing the image file wrapper of this application on the PAIR, I noticed that a substitute specification filed on October 26, 2006 is marked as "amendment not entered" (Document code: SPEC.NE). This substitute specification was intended to replace the original specification filed on August 30, 2006. Please confirm that this is not a mistake and the substitute specification is indeed not entered.

Due to the time differences, please kindly send your response via email to [shiming.wu@huawei.com](mailto:shiming.wu@huawei.com). Thanks.

Your help on this matter is greatly appreciated.

Sincerely yours,
